

Mission: The Dream Team uses the power of a bicycle to assist youth in developing a positive approach to life's challenges.

Dream Team Rider and Parent Agreement

I _____ want to participate in the **20__ Dream Team.**
(print rider's name)

I understand that my participation **requires** the following:

- A six month commitment starting with indoor training in February and ending with the week of RAGBRAI® at the end of July.
- I can miss a maximum of 4 workouts a month and I must notify my contact mentor when I miss a workout.
- There are two scheduled campouts in May/June and I must attend one of the campouts. I understand the three day ride (not a campout) in July prior to RAGBRAI is mandatory and participation in all three days is required to be eligible for RAGBRAI.
- I must attain the goals set by the mentors for any given ride. These goals may be maintaining a minimum speed during a ride or arriving at an assigned destination by a set time.
- I must abide by the Dream Team code of conduct by meeting the expectations in the Dream Team "Policies and Guidelines" document. Violations will be addressed on a three strikes basis. A strike can be anything as severe as criminal, violent or abusive behavior and as simple as overt disrespect toward a mentor or fellow team member. Strikes may be used at the sole discretion of the Dream Team mentors. I understand that any team member earning three strikes will be dismissed from the program entirely. Major infractions may result in the team member being ejected from a training ride or event. Ejection from any event will always be considered a strike. The Dream Team Leadership Board reserves the right to expel any team member permanently for any single gross violation of our policies and guidelines.

My final goal is to ride every mile of RAGBRAI®. I will do my best to attain that goal by following all the guidelines set forth in the "Policies and Guidelines" of the Dream Team that I have read and understand.

Date

As the parent/guardian of _____ (rider), I will do everything I need to do to help them attain the goal of riding every mile of RAGBRAI® by getting the rider to all scheduled practices, stay in contact with their assigned mentor and support the rider in any way necessary to help them attain their goal. I will follow all the guidelines set forth in the "Policies and Guidelines" of the Dream Team that I have read and understand.
